Disconnection of Service:

The City of Woodruff has entered into a contract with the Woodruff Roebuck Water District for the **disconnection of water service for non payment of the City's sewer charges.** By signing this application, the Applicant acknowledges receipt of information concerning this matter and understands that the Woodruff Roebuck Water District will disconnect water services in the event that City of Woodruff Sewer Charges become delinquent. If this occurs, the delinquent bill must be paid in full along with a \$20 reconnect fee that must be paid before service can be restored. Bills are considered past due after the due date listed on the bill and are subject to disconnection at any after that date. The Applicant agrees to waive all rights to any claims against the City of Woodruff or the Woodruff Roebuck Water District. The City of Woodruff has the right pursuant to the South Carolina Set off Debt Collection Act to collect any sum due and owed by the applicant through offset of the applicant's state income tax refund. Association of Counties, and/or the City of Woodruff. If the City of Woodruff chooses to pursue debts in a manner other than set off, the applicant agrees to pay the costs and fees associated with the selected manner as well.
